

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present preliminary amendment the specification is amended to use appropriate headings and to add two paragraphs that are not believed to raise any issues of new matter.

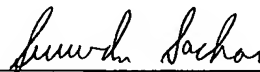

A new Abstract believed to be in more proper format under United States practice is also submitted herein.

Further, claims 1-10 are canceled without prejudice and new claims 11-24 are presented for examination. New claims 11-24 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,
